April 4-10, 2021 is **National Library Week**, a time to highlight the essential role libraries, librarians and library staff play in transforming lives and strengthening communities. The theme for this year’s National Library Week is “Welcome to your library,” which promotes the idea that libraries extend far beyond the four walls of a building and that everyone is welcome to use their services. Whether people visit virtually or in person, libraries are accessible and inclusive places that foster a sense of community through learning, discovery and exploration.

This week, the MCoE Donovan Research Library staff encourages all community members to visit the Physical Library and/or the Virtual Branch at [http://www.benning.army.mil/library](http://www.benning.army.mil/library) to explore and access virtual services and programs. The Donovan Library offers a wide array of online resources including Jane’s, EBSCOHost, ProQuest Military, JSTOR, Newsbank and Overdrive that are available onsite or from the comfort of home. Curb side service and virtual reference is available by sending an email to usarmy.benning.mcoe.mbx.donovan-ref-desk@mail.mil.

Show your appreciation and support by visiting the Donovan Library virtually or in person. The hours of operation for the physical facility are temporarily limited to Monday – Wednesday 9:00 -3:30 but the Virtual Branch is always open. Masks, social distancing and hand sanitation is required.

You are always welcome at the Donovan Library!
